

THE MASTER LIST

This file contains the full selection of spirits and wine available at Mercury. The list is long but variety is the spice of life. If you would like any more info or recommendations, please don't hesitate to ask. We hope you have as much fun drinking through the list as we did curating it. *We would love to build a flight of spirits or wine for you at any time.*

ONE AND DONE

ONE AND DONE BOTTLES

Our favorite section; below are spirits that are so rare or hard to find we only have one bottle. In many cases, Mercury has the only bottle available in the state. When it's gone, it's gone for good.

Listed here are some of our more exciting selections. Further spirits listed in *italics* are also one + done.

WHAT IS THE CLINEBELL?

Our Clinebell machine produces 300 pound blocks of ice we use for our cocktails served on the rocks.

By only freezing from the bottom, and using a pump to circulate the water as it freezes, all of the air and impurities in the water are left out of the ice. This results in a 10" x 20" x 40" block you can read through.

This ice is peerless, and this is the only Clinebell between Denver + Minneapolis.
