

WINE

FROM THE SOMMELIER

This is a labor of love: a very exciting blend of classic wines from classic regions as well as some very unique wines from small producers. Using notes compiled from the past several years of studying wine, and my own personal favorite vineyards, producers, and growers, I am able to bring you a list of wines, all of which I proudly stand behind.

I hope you find a new bottle to love every time you visit.

-Sara Mellor
